

## **The R.D. "Rusty" White Engineering Scholarship**

Mr. White's family will be offering an annual scholarship in the amount of \$1,200 to a student in the LR School District.

### **Eligibility**

1. Student must be in the 12<sup>th</sup> grade at LR High School
2. Student must be planning to enroll in an accredited university or college for the following year.
3. Student must have the sincere intent to study engineering (civil, electrical, mechanical, etc) as a career goal.

### **Selection Process**

1. The counselor's office will verify information and eliminate any application that does not meet eligibility requirements. The scholarship recipient will be announced in May.
2. The recipient will be responsible for submitting the name and address of the college/university to the counselor's office. Payment will be made directly to the recipient's school
